## HERBERT REEDER LOSES LIFE IN POND

Was Out Boating at Lagoon With Fred Naisbitt When Boat Capsized.

### BOYS LOST IN OGDEN CANYON

Searching Parties Scouring Mountains For Earl Clark and Rex Shurtz—Bold Work of Burglars.

OGDEN, July 6.—Late last night, a representative of George W. Larkin & Sons, undertakers, arrived from the Lagoon with the body of Herbert Lee Reeder, the 19-year-old son of William H. Reeder of this city, who was drowned at the Lagoon yesterday afternoon.

Young Reeder in company with Fred Naisbitt of this city was boating on the Lagoon lake and in attempting to change positions, capsized the boat. Young Reeder could not swim and was drowned before help could be summoned. Naisbitt in attempting to save his friend almost lost his life and was taken from the water in an unconscious condition.

Fred Gibson of Layton recovered the body of Reeder after several attempts at diving.

#### QUIET FOURTH IN OGDEN.

OGDEN, July 6.—The three day's celebration of the Fourth of July in Ogden passed off without any accidents of a serious nature. As far as could be learned at an early hour this morning the doctors of the city did not receive any emergency calls whatever, which is most uncommon for a Fourth of July in Ogden.

#### YOUTHS LOST IN CANYON.

OGDEN, June 6.—The prolonged absence from home of Earl Clark and Rex Shurtz, both about 10 years of age, who had been fishing in the canyon, near the Oaks, yesterday afternoon, caused a great deal of excitement in the canyon last evening and a search was maintained most of the night. At an early hour this morning no trace of the boys had been found by the several searching parties that were organized. While many express the fear that the boys were drowned, others are of the opinion that the boys walked up the canyon and followed up one of the tributaries of the river to such a distance that they were unable to return at night and stopped at some place for the night. The search will be vigorously prosecuted until the boys or their bodies are recovered.

The sheriff's office, and many others were out all night searching for the boys. This morning at 8 o'clock, word was received that the

good health, with its blessings, must understand, quite clearly, that it involves the question of right living with all the term implies. With proper knowledge of what is best, each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to living aright. Then the use of medicines may be dispensed with to advantage, but under ordinary conditions in many instances a simple, wholesome remedy may be invaluable if taken at the proper time and the California Fig Syrup Co. holds that it is alike important to present the subject truthfully and to supply the one perfect laxative to those desiring it.

Consequently, the Company's Syrup of Figs and Elixir of Senna gives general satisfaction. To get its beneficial effects buy the genuine, manufactured by the California Fig Syrup Co. only, and for sale by all leading druggists.

#### CRACKERS START A BLAZE.

OGDEN, July 6.—Fire crackers thrown near a rubbish pile at the rear of the residence of J. W. Duffin, 823 Twenty-third street, yesterday afternoon, started a fire, which would have probably been serious had it not been for the prompt action of the firemen from station No. 2. The fire had got started within 10 feet of a 25-gallon gasoline tank belonging to a bottling work, which adjoins the Duffin property and the fire was burning briskly when the firemen arrived.

#### BOLD WORK OF BURGLARS.

OGDEN, July 6.—Information was gained yesterday afternoon of the burglarizing of the Pingree & Keller store, located at the corner of Twenty-sixth street and Washington avenue, and within a block of the police station last Tuesday evening. The burglary was one of the boldest that has been committed in the city in a number of months as the burglars were not content with the carrying away of a small amount of plunder but loaded a wagon with groceries enough for a month's supply. As near as could be learned the officers are without any clue.

The burglaries committed on Saturday night as were learned yesterday, were buildings located on Twenty-fourth street between Grant and Lincoln avenue. The place entered were the Eccles Paint & Glass company, Utah Construction company's office, C. F. Grout feed store, Ogden Electric Supply company and the Russell-James meat market. The Eccles company had a cash register opened and \$10 in silver taken. The other stores have reported no loss.

Up to an early hour this morning no arrests had been made in connection with the Bamberg depot robbery. In this case the police acted very quickly. Within 20 minutes after the robbery occurred there were four officers and detectives upon the ground and working upon the case, but the hold-up men made such a quick getaway that it has led the officers to believe that the men who were very young are of the local talent.

## PROVO HONORS NATION'S NATAL DAY

Patriotic Meeting—Parade from Provo Bench—Amusements and Attractions.

(Special Correspondence.)  
PROVO, July 6.—The nation's birthday was celebrated in a comparatively quiet but no less enjoyable manner here. In the morning the day was ushered in by the firing of cannon and soon after the Provo band was on the street discouraging patriotic airs. There were races by the boys and prizes were awarded the winners.

Exercises were held in the tabernacle. Hon. J. W. N. Whitecotton delivered an eloquent address on the country's past and present and the need for patriotic service on the part of its citizens to insure its future growth and greatness. Beautiful patriotic songs were rendered by the Schubert quartet.

#### PROVO BENCH PARADE.

Provo did not have a parade, but the Provo Bench people brought in a full-dressed procession consisting of about 10 floats, containing goddess of liberty,

exhibits of fruit and farm products, etc., with T. J. Patten, Jr., as marshal of the day. The welcome visitors paraded the streets, after the services in the tabernacle and were received with deserved enthusiasm by the people.

#### SEWER TRENCH VICTIM.

PROVO, July 6.—A second victim of the open sewer trench was furnished last night when the 3-year-old son of J. L. Lytle fell into the 15-foot trench. He was not so fortunate as the little girl who fell in Saturday night, as a severe gash was cut in his forehead. He was taken to the Provo general hospital though the wound is not considered dangerous.

## CHEYENNE OFFICERS CAPTURE DESPERADO

(Special Correspondence.)  
CHEYENNE, Wyo., July 4.—Jim Lanham, employed on the new building at Fort Russell by the Atkinson Construction company, was run down by the police last night after he had cashed worthless checks at 10 or 12 of the leading business houses in the city, and after he had fired several shots at his captors.

Lanham was picked up on West Sixteenth street by Patrolman Embury, but before the jail was reached Lanham suddenly whipped out a revolver and placing it against Embury's head, was about to fire when a colored trooper from Fort Russell knocked up his arm.

Lanham ran to his home in West Cheyenne, which was quickly surrounded by Officers Embury and Henderson and Sergt. Hawkins. Lanham secreted himself behind a board fence, and when Hawkins peered over, Lanham fired two shots at the officer, the bullets passing through the latter's hat. Lanham was quickly overpowered.

It is said the prisoner came here from Denver where he has a bad record.

## RECENT DEATHS

**HENDRICKS, JAMES W.**—At Idaho Falls, July 5, James W. Hendricks, the 17-year-old son of Joseph S. Hendricks, Jr., died of tetanus. On June 26, the young man accidentally shot himself in the back part of the leg just below the calf, with a 22 rifle, the ball ranging downward. Dr. Young was summoned and dressed the wound, making him as comfortable as possible. He was seemingly getting along very nicely, until last Saturday night symptoms of lock jaw were shown and he was taken to the hospital at Idaho Falls, accompanied by A. H. Hale and Dr. Young, for treatment. He was examined by Dr. Cline who pronounced the case hopeless, though he did all he could for the young man, but despite all efforts he passed away as stated. He is the grandson of Joseph S. Hendricks, one of the pioneers. His funeral will be held at Marysville, July 8, 1909.

**THOMAS, WM. J.**—At Provo, July 4, Wm. J. Thomas died from an affection of the bowels. The deceased was born in Wales, 62 years ago. He came to Utah in 1861, and has lived in Spanish Fork since 1863 where he moved from Salt Lake. His wife and eight children and many other relatives are left to mourn his death. Funeral services will be held in Spanish Fork at a time to be fixed later when two sons, now in Idaho, are heard from.

#### BODY NOT YET FOUND.

Force of Divers Unsuccessful in Search for Drowned Man.

Although searchers equipped with grappling irons and divers have worked for three days, the body of Tony Nichovich, an Austrian, who is believed to have

drowned in the Jordan river near the Winchester bridge, has not yet been found.

Nichovich, who was employed at the Bingham smelters, was last seen Thursday night, when, after his supper, he told his companions that he was going to take a swim. The next morning his clothes were found lying on the bank where he had undressed. It is the belief that while swimming he was seized with cramps and met his death by drowning. Sheriff Sharp sent a force of deputies Saturday and Sunday to drag the river, and friends of the Austrian have also worked unceasingly since the finding of the clothes in the effort to recover the body.

#### DERRAH STILL WITH GOULD.

Letter to Mrs. Derrah Disperses All Rumors to the Contrary.

S. V. Derrah, assistant general freight agent of the Denver & Rio Grande railroad, who has been visiting in Pennsylvania and New York for two or three weeks past, has written to Mrs. Derrah in Salt Lake City to the effect that he had held three conferences with George J. Gould and that Mr. Gould had extended the jurisdiction of Mr. Derrah as traffic manager for the Western Pacific to Winnemucca, Nev. This effectively dispels the rumor that Mr. Derrah was to retire from the Gould system.
